Hello everyone and first of all Sorry for my English,

I am new here, I am a French guy of 35 years old, living in London and with big problems for dating

I think I read all the French forums about dating and relationship but I did not find my solution so I come here and if I don't find an answer anyways because it's good for my English ^^

Bye bye and Merry Christmas everyone!

Hello,

I am Andrea.

Ok, I'm not sure what to say but here are some fun facts for you:

My dad was a military man and I couldn't be prouder to be his daughter.

I plan to open my own business in the next year or so.

Once I ate a whole watermelon by myself because of a friend's dare. It was surprisingly hard.

My favorite beer is whatever IPA is on tap.

I'm a cat person. They're just so independent and furry.

I really don't have a type. As long as you have something interesting to say, I want to hear it.

I'm a little old-fashioned. If you open a door for me, I will melt.

Hoping to learn a thing or two from you guys here.

Cheers!

Online Dating is a new concept and currently, in the state of coronavirus online dating brings to a great extent. Everyone out the world is getting their dates online. Similarly, the tinder dating site has also shifted and supports your health by meeting in the open.

The better idea for the youth if they are searching for a partner is going to tinder dating site and search for various partners of their choice and make your life the great.

Finding your partner online is a great thing but what if the lover of yours is in your locality. With this feature, you can easily find out the partner who are near to you and are willing to be your mate. This feature is launched by the tinder dating site for the first time.
