My question is about the pay stats. Does 1.225 mean 1 hundred and 2 dollars and 25 cents.... It seems to good to be true that I could make over a hundred in just a few days. Please show me what 1 hundred looks like. babyblueeeye@hotmail.com

Is it normal that an user can't vote more Flirt/Next profile? After 2-3 votes everyday I get redirected to search form and no people to vote... this doesn't allow me to climb up the ranking and be more popular... don't know if is normal or if there is something not working good... I see almost same people on top of list that get 1000 points or more voting other profiles... while for me it's impossible to vote more than 30 in 3 days!

Thank you, guys for the opportunity to find new friends, to talk with people I could never meet because they are on the other part of the planet.

Talking with different mentalities, I feel like I met Germany, Ukraine and Franch at once. Thanks so much.
