Looking to meet a nice foreign lady, now is your chance to meet a beautiful woman and be a star of a new hit TV show.

A Foreign Affair is working exclusively with a major television network to produce an ongoing reality show that depicts the International dating process through the eyes of the men and women participating in our group Romance tours. We are very excited to be working with the Network to produce this show that will depict how the tours really work, while at the same time focusing on the relationships that are forged as a result of the tours. After our discussions with the producers we are confident that the Network will portray the subject of International Dating in a positive, balanced, and objective manner.

If you are a single man interested in International Romance/Dating and already considering or will consider joining one of our Romance Tours to any of our destinations, (Ukraine, Latin America or Asia,) and would like to participate in this Reality Show we would love to hear from you!
