Hi, everyone,

Just to warn you of a guy out there who is not serious in a relationship and is a player.

Here is a bio of Jimmy Sha:

- He is a liar
- He drinks alcohol excessively. Without alcohol he goes nuts
- He lies about everything
- He is not serious in the relationship
- Everyone I know said he is a jerk
- All he thinks about is sex
- He only wants to fool around with girls
- He only wants a casual relationship that leads to nothing serious
- If you are looking for some fun, you can go find him and good luck with that. I am sure he doesn't mind giving you his home address.
- He can love you at first sight and then fall out of love immediately once he doesn't get what he wants
- He can give you his home address very quickly like he just want a one night stand
- He can be very nice to you then all of a sudden he can become distance or cold to you
- He works in a financial industry
- He is short and bald
- He is Asian
- He is a Capricorn or Pig in Horoscope or Astrology

So just be careful of this guy if you are seeing him, dating him or meeting up with him.
