Hey friends.. I just want to know that how did you all celebrate this valentine?
I have hired a date planner named Date Valet New York.I and my girlfriend had a great fun there.
The music, food and drinks are awesome. They have made my day... Really.
Share your experiences.... So that again I can plan a great valentine next year.

Hey, guys, I need your advice. I live together with my boyfriend for a year and 3months. But it happened that previous (that considered to be our first valentine day) he spent with another woman. I forgave him (but it still hurts). Now there is no other women and we are happy together. So I want to have the most romantic evening of the year. So help me please, share your experience and ideas:)
