I notice you're a single now. If you are looking for serious relationship, you can take a try on AgeGapMeet. com The largest over hundreds of singles' Group. The place to meet singles over 50 for fun, romance, relationships and activities. They manually censor all profiles to kick out scammers. They also verify user's identities for free. My friend Lynn has just found her true love on it. It's worth a try. Good luck with your search. Find your soulmate and enjoy your valuable life with the valuable person... It's the best site to date with the Age Gap people and find the best one. It's highly secured one free from spamming.

In US & Canada among the paid websites try to use <http://www.match.com>. It is a very old project.
