---

I am 21 years old, I am a Tgirl. I am always looking for strong emotions, but I am not vulgar myself. I am a real little doll, as I am thin, easy to handle, and my face is very cute. Gorgeous body that will drive you crazy with desire and pleasure. Better in person than in pictures. I am vaccinated against COVID-19, if it is important. We can meet once or all the time. We can have web s[e]x. I can just give a massage. We can have an interesting time (I'm broad-minded and well-read).

I don't need your money! :)

Please, I don't want to get upset with fools and I want to protect myself from idiots. That's why I DON'T READ PERSONAL MESSAGES HERE AT ALL. That's why I don't post my phone number and whatsapp here - I don't want to be bombarded with stupid one-liners and insults. My nickname is RuthCa and all answers to general questions, bio with me and contacts are in my profile on the famous (www) gays24.club
